

Lomiko Metals Inc. Seeks Lithium-Ion Battery Manufacturer Partner - Corporate Update on AllPennyStocks Radio (AUDIO ENCLOSED)

(Vancouver) LOMIKO METALS INC. (TSX-V:LMR, Pinksheets: LMRMF, Europe: ISIN: CA54163Q1028, WKN: A0Q9W7,) (“Lomiko” or “the Company”) is pleased to release a Corporate Update with its appearance by CEO A. Paul Gill on AllPennyStocks Radio.

Lomiko Metals Inc. is a Canadian-based junior company whose objective is to increase shareholder value through the acquisition and exploration of high quality mineral mining projects and development into a fully integrated battery supplier. Lomiko is currently exploring for salt brines that contain lithium, sodium, sulfate, chloride and potash in salt lakes or salars. Lomiko's growth strategy is to become a fully integrated supplier of lithium ion batteries. The potential for partnership in creating rechargeable lithium batteries to replace current polluting methods of energy is excellent in the newly developing electric car industry. Interest in lithium and lithium batteries is growing exponentially. The Company is committed to its development program and in showing corporate social and environmental stewardship in the arena.
