LOMIKO ADVANCES CHILE LITHIUM SALAR BRINE PROJECT TO EXPLORATION STAGE

Vancouver, BC - Lomiko Metals Inc. (TSX-V: LMR, Pinksheets: LMRMF) ("Lomiko" or the "Company") has received the gazette publication and final award for the Karolina 1-8 claims at the Salar de Aguas Caliente. Further details regarding the project are available at www.lomiko.com.

Lomiko will now proceed with the submission of an environmental declaration required to explore brine salars located in Chile. The focus of exploration will be to establish the potential for this salar to host economic deposits of lithium and other associated minerals.
