NOTES TO FINANCIAL STATEMENTS

January 31, 2011

(unaudited)

1 Nature of Business and Going Concern

The Company is incorporated under the laws of the Province of British Columbia and is engaged in the acquisition, exploration and development of resource properties. The company is in the exploration stage and has not yet determined whether its properties contain enough mineral reserves such that their recovery would be economically viable. These consolidated financial statements of the Company have been prepared on the basis of accounting principles applicable to a going concern which assumes the realization of assets and discharge of liabilities in the normal course of business. The Company's ability to continue as a going concern is dependent upon successful completion of additional financing, continuing support of directors, the ability to continue to raise adequate financing or achieving profitable operations in the future, the outcome of which cannot be predicted at this time. These consolidated financial statements do not reflect any adjustments to the amounts and classification of assets and liabilities that might be necessary should the Company be unable to continue in business.

2 Interests in Mineral Properties
